

## **SOME INTERESTING FACTS**

There is a seven-letter word in the English language that contains ten words without rearranging any of its letters, "therein": the, there, he, in, rein, her, here, ere, therein, herein.

The combination "ough" can be pronounced in nine different ways; the following sentence contains them all: "A rough-coated, dough-faced, thoughtful ploughman strode through the streets of Scarborough; after falling into a slough, he coughed and hiccoughed."

The only 15 letter word that can be spelled without repeating a letter is uncopyrightable.
